

Template for Success Blueprint Workflow

- Create the success blueprint
- Take the 3-5 deliverables you defined in your blueprint and create a One-Page Plan for each
- Use One-Page Plans:
 - to drive implementation
 - as an ongoing tool for managing and tracking status of each task

3-5 Key Deliverables

One-Page Plan

One-Page Deliverable Follow-Up Plan

Owner: _____ Deliverable: _____ Date: _____

Where is it now? _____ Where will it be in the future? _____

HOW	WHAT	EXPECTED IMPACT	WHO	WHEN	PROGRESS
What are the key strategies you'll use to achieve this deliverable?	What action/strategy steps are needed to implement the strategy?	What is the result you expect? What is the value?	Who owns this and is accountable for it?	By what date does it need to happen?	Measurement metrics and % complete

Your Implementation & Accountability Plan
